Floor Graphic PVC Lamination Film – WINLAM V170/FL

Product Description

WINLAM V170/FL, is a 170 μ monomeric calendared PVC protective laminating film with a pressure sensitive, solvent acrylic adhesive that is protected by a single-sided, siliconised kraft release liner. It can be used over graphics printed on vinyl for protection against moisture and abrasion. WINLAM provides a slip-resistant finish for the ultimate floor graphics solution.

Product Features

Features a special calendared lamination with textured matte finish coated on one side for scuff resistant and also slip resistant.

Application

Suitable for all reasonable mid to heavy foot traffic areas (such as schools, hospitals, retail advertising, supermarkets and restaurants).
